

I am a set of words. I am about to undergo a process of division. I will be taken apart according to possible recombinations. I would like to display the ways I can be categorized. You will see that I have within myself a set of calculations and conventions. I would like to be unfolded.

I am a words set of. I am about to undergo division of a process. I will be taken apart according to recombinations the possible. I would like to display the categorized ways I can be. You will see that I have within myself a conventions of set and calculations. I would like unfolded to be.

Of I am. Words a set. A process I am. Of division to undergo about. The possible I will be. According to recombinations apart taken. Can be I would like. The categorized ways I to display. And calculations you. I have that see will within a conventions of myself set. To be I. Unfolded like would.

Of to that can. I a be be I. I am I am. The possible and calculations. I will I would I have. A process of recombinations. be about: to undergo, to display. According to division of myself. a set taken. ways categorized. words apart. like the set you will see. would like within unfolded conventions.

Of to that can. be be I. I am I am. The possible and calculations. I will I would I have. a process, of division. be about: to undergo, to display. According to recombinations of myself. a set taken. ways categorized. words apart. like the set you will see. would like within unfolded conventions. I. a.

I am the possible. I have a process. Set taken ways. Categorized words apart like the set you will see. That can be. be I. I am. Of calculations and of division. To be about. To display according to myself. To undergo recombinations of will. Within a like unfolded conventions. I would I a I would.

I will the possible. I have taken ways. I categorized words. A process am I. I am set within myself. According to calculations I would, like unfolded conventions, be about division. You will see. Apart like the set that I would can be. of and of to be. To undergo display. Recombinations of a to a.

Possible words categorized ways I would. Taken like unfolded I I I. I will have the process within myself. A calculation. s. ing. I accord. would set division. about convention. display s. of and of to be of the set that I will see you to undergo. can be recombination. s. be apart like a to a.

a to a. of be. displays recombination. A calculation sings. can be convention. like accord. my words like self unfolded. I I I. of and of the process within. I will be apart. possible I would. take. n. see. you to the set that I categorized. ways have will. I would set about division. to go under.

a to a to I to I I of I of the ways go under. I will within. I categorized you. can be
a be of seen the set that I would take. possible accord apart. like my words. like
a calculation sings. have convention. will recombination. unfolded process
about self displays. be and would set division.

a a a a to to to I I I I of of of I I I like like go be and can be. the the be my words
unfolded. seen set sings self. will within will would set calculation. categorized
convention. you that would take ways under. recombination process possible
division. accord: have displays about apart.
